Warranty Policy

At Lambright Comfort Chairs LLC, we are pleased that you have chosen to invest in one of our pieces of furniture.

We offer a 1 Year Warranty on foam compressions.

We offer a 10 Year Warranty on all our tempered steel frames and mechanisms.

We offer a 2 Year Warranty on our workmanship and construction methods.

If the piece of furniture has been abused or improperly cared for, we will still do repairs at a reasonable cost. We carry no warranty on leathers or fabrics because of the popularity of household pets.

Every piece is engraved, dated and numbered so we will be able to trace all pieces manufactured by Lambright Comfort Chairs LLC.

Shipping costs will be negotiated between Retail Store and Customer for damaged or warrantied pieces that are shipped to our facility for repairs.

Details

Lambright Comfort Chairs LLC pays special attention to details. Keeping quality and comfort in mind is an important detail to us. Each upholstered piece is made to order and our craftsman follow your specifications from start to finish to create your personal piece of furniture.

Foam

We use Altra Qualex Foam (the best!) with a 2.6 density to ensure long lasting use for generations.

Frames

Our frames are built with a mild tempered steel to keep your furniture from bending, sagging or warping. 2½" x 1½" hard maple is used throughout your furniture piece to tie your upholstery furniture piece together.

The Difference

We use a 2 step flex spring suspension design with comfort in mind.
